Sub:- (i) The file relating to the D.C.B Demand & Collection of municipal revenue in the several Talukas of the district for the quarter ending 30th Septr 1942 is put up. Kind reference is invited to the report dated 10.11.42 recd from the Presidency Davangere Town Mgt when the reasons for the poor collection for the above quarter have been explained as being due to circumstances beyond the control of the collecting staff. It is also stated that there is no slackness or indifference on the part of the Chief Officer who has attended to other important duties during the period. It is seen that the collections have been much improved during the months of Oct 1942 due to the exertion of the Chief Officer. This is only reflected in Para 17 Statement

(ii) The list showing the names of Chief Officers of Municipalities now employed is put up. It will be seen therefrom that he has been getting a Salary of Rs. 225+35 for the last four years. Generally no other Town Mgt in the State has such a good income as the Davangere Town Mgt and there are vacancies at Tumkur & at Harihar. Very recently the Tumkur Municipality did not want a highly paid first grade Chief Officer and Harihar Town Mgt did not want a Chief Officer

Sir,

Raising the grade of the Chief Officer of Davangere Municipality to that of an Amildar
===

In forwarding herewith the entire correspondence ending with report No 188/42-43 dated 24th June 1942 from the President, Town Municipal Council, Davangere on the above subject, I have the honour to state that the present Chief Officer, Mr H Narayana Rao gave an application to the President on the 1st May 1942 stating that he has been working as Chief Officer for the last seven years in various Municipalities that though he had passed all the required tests for the Amildar's post he was not able to get his name included in the Amildar's list and that considering his long service and experience in Municipal - administration the post of the Chief Officer of the Davangere Municipality may be raised to the status of a District Sheristedar and the benefit of the new scale being given to him

2 The subject was placed before the Municipal Council at its meeting dated 12th May 1942 and it was resolved that since the revenue of the Municipality has increased to several lakhs of Rupees and the area and population of the Town have increased very much as a consequence of which the responsibilities and duties of the Chief Officer have increased greatly, the status of the Chief Officer may be raised to that of an Amildar and the benefit of this grade ~~by~~ be given to the present incumbant Mr H Narayana Rao for his good work and experience in the Municipal

administration

3 The President has recommended that Mr Narayana Rao is an experienced Officer capable of handling the affairs of the Municipality efficiently that he has been drawing Rs 125/- a month for the last four years without any promotion, that he has no other chances of promotion to get any higher post and that a recommendation may be made to Government for according sanction to the resolution of the Council

4 The Municipal Council, Davangere has proposed to extend its limits so as to include the vanaspathi Oil Mills and the Regulated Market within the Municipal limits The revenue of the Municipality has increased and the normal income for 42-43 as per sanctioned budget is Rs 1,52,000/- This is a premier Municipality being the third biggest Municipality in the State and it is desirable that there should be a Chief Officer of the status of an Amildar as the responsibilities of the post have increased very greatly In these circumstances I request that sanction of Government may kindly be obtained to raise the pay of the Chief Officer to that of an Amildar and the benefit of this scale given to Mr H Narayana Rao, the present Chief Officer whose work is quite satisfactory,
